MEMORANDUM OPINION AND ORDER

This matter comes before the Court upon Defendants' Motion to Compel Plaintiffs to Respond to Defendants' First Set of Interrogatories and First Set of Requests for Production [docket no. 29]. The motion was filed January 10, 2002, and no response has been filed. The discovery in question was served on Plaintiffs on November 15, 2001, and responses were due December 18, 2001. No response was made, and no extension was requested. I find that all objections to the discovery have been waived.

WHEREFORE,

IT IS ORDERED that on or before February 22, 2002, Plaintiffs, and each of them, shall serve on Defendants full and complete responses to Defendants' first set of interrogatories.

IT IS FURTHER ORDERED that on or before February 22, 2002, Plaintiffs, and each of them, shall serve on Defendants copies of all materials sought in the requests for production made by Defendants, indicating which documents are supplied in response to which request, and also indicating where no documents are being supplied in connection with each request where that is the case.
